

**Number of Community lawyers registered in EEA-member states as per April 2004  
(total of article 2 and 10 of Establishment directive)**

**France** : data from national Bars do not distinguish between article 2 and 10 lawyers

**Germany** : data up to 2003

**Ireland** : data provided by theBar Council

**Italy** : no data provided

**Switzerland** : as the registration is administrated by 24 cantons, there is no exact information; Swiss Bar Association says it is likely most of them act under their home country professional title
