**Presentation about videoconferencing in Swedish courts,
Prague 17–18 February 2009**

Estimated time: 15 minutes

The presentation will be supported by power point images.

Speakers: - Anders Hübinette, Legal Adviser, Swedish Ministry of Justice
- Ulf Berggren, Head of Technical Services Unit, Swedish
National Courts Administration

The presentation – bullet points

- Short introduction of the speakers
- Short history about examination by telephone and the pilot project on videoconferencing in the courts
- Presentation of the new legislation on videoconferencing in the Swedish courts, including a brief description about the recording of examinations.
- Presentation of the videoconferencing equipment in the court rooms.
- A geographical view – which Swedish courts have videoconferencing facilities?
- (If possible:) A short presentation of practical experiences in cross-border proceedings.
