

CONSEIL DES BARREAUX EUROPÉENS IS GRANTED THE ECODYNAMIC ORGANISATION LABEL!

Rue Joseph II 40, Josef II-straat

The label is the Brussels reference for environmental management since 1999

#ecodyn

On 19.12.2023, the CCBE obtained the official **Ecodynamic organisation label**, recognising eco-management initiatives eco- in the Brussels-Capital Region. This label assesses waste prevention, circular economy, energy efficiency, employee mobility, and sustainable food practices. The CCBE received a two-star rating out of three. This is part of the CCBE's commitment to address the impact of its activities on climate change, aligning with its initial [Statement on climate change](#). More information about the label: <https://www.ecodyn.brussels/?lang=en>
